

Physician-Ordered COVID-19 Test Collection Site

350 Plantation Street, Worcester, MA 01604

Each patient must have a physician order before presenting for COVID-19 test collection and should wait two hours after calling their doctor before leaving home to ensure the order has been placed. We cannot collect samples from patients who do not have an order in our system.

Test Collection Site Hours

Monday, Wednesday, Friday	8:15 am to 3:45 pm
---------------------------	--------------------

Upcoming Holiday Hours

Monday, July 4, 2022	CLOSED
----------------------	--------

To accommodate the required COVID-19 testing prior to a procedure that will take place immediately after the holiday, we are offering a home collection process for patients with procedures on **Tuesday, July 5 or Wednesday, July 6, 2022**. If you have a surgery scheduled for Tuesday or Wednesday you should come to our test collection site prior to Friday, July 1 to pick up a kit.

Kits are available now for advanced pickup for surgeries on Tuesday, July 5 or Wednesday, July 6

Surgery Date	Collection Date	Drop Off Date
Tuesday, July 5, 2022	Saturday, July 2, 2022	Saturday July 2, 2022
Wednesday, July 6, 2022	Sunday, July 3, 2022	Sunday, July 3, 2022

If you have a surgery scheduled and your doctor has ordered a home collection kit for you, here is how to get it. We cannot offer these kits to patients without a doctor's order.

Home Collection Kit Pickup Instructions

Pick up your home collection kit at our 350 Plantation Street site Monday, Wednesday, Friday, 8:15 am to 3:45 pm, from now through Friday, July 1, 2022

Home Collection Kit Drop off Instructions

You must drop off your kit the same day you collect your sample

Your kit should be dropped off at 367 Plantation Street, Worcester, anytime between 7 am and 8 pm.

After you have collected your sample, write your name, date of birth, the date and time on the provided label. Follow the signs in the parking lot and place the labeled sample in the black mailbox located in the parking lot.
