

## UMASS MEMORIAL EYE CENTER

### Eye-Related Care During COVID-19

Dear Patients,

If you're experiencing a non-emergency **eye problem**, don't come directly to the Eye Center as we are currently not accepting walk in patients. Please call **508-334-0930** and ask to speak with the Eye Center on-call physician. We'll assess your eye problem to determine if you need to come in for care, or if we can treat you using virtual medicine technology.

**If you have a medical emergency, such as persistent and/or severe shortness of breath or an eye emergency, please get medical care right away.**

Thank you,

Your UMass Memorial Eye Center Team
