NEW! COVID-19 Testing Options

Effective Monday, August 29, 2022: 306 Belmont St. location is **CLOSED**

A. **Symptomatic patients** should take an at-home COVID-19 test or go to CareWell Urgent Care. Visit CareWellUrgentCare.com to find locations.

B. **Asymptomatic patients with scheduled procedures** have two options:

1. **Pre-procedure home collection kits available for advanced pickup.** If a patient has a scheduled surgery or procedure, a doctor's order for COVID-19 testing is required for kit pickup. Some clinics will provide the kit in the clinic when the decision for surgery is made. If the patient does not get the kit in clinic, they need to pick up and drop off a home collection kit as instructed below. They can pick up their kit in advance, however they must drop off their kit the same day they collect their sample.

	Location	Days/Times
Home Collection Kit Pickup	**281 Lincoln St., Floor 2** Hahnemann Campus, Phlebotomy Draw Station Worcester, MA 01604	Monday - Friday 8:15 am to 3:45 pm
Home Collection Kit Drop Off	**365 Plantation St.** Worcester, MA 01604 *(Follow signs through parking lot)*	Fridays to Tuesdays 7 am to 9 pm *(Drop-off not available on Wed. or Thur.)*

	If surgery/procedure day is:	Collect and drop off sample on:
When should a patient collect their pre-procedure home sample?	Monday	Friday
	Tuesday	Saturday
	Wednesday	Sunday
	Thursday	Monday
	Friday	Tuesday

2. **Pre-procedure in-person testing available for patients unable to use home collection kits.** A doctor's order for the in-person COVID-19 test is required.

BOTH LOCATIONS OPEN: Monday - Friday 8:15 am to 3:45 pm	
281 Lincoln St., Floor 2 Hahnemann Campus Phlebotomy Draw Station	**119 Belmont St., Ground Floor** Memorial Campus Phlebotomy Draw Station, Lab Services

	If surgery/procedure is:	Come to the test collection site on:
When should a patient go for their in-person test?	Monday	Friday
	Tuesday	Monday
	Wednesday	Monday
	Thursday	Tuesday
	Friday	Wednesday
